

# Some Partnerships Were Meant To Be

**WALLED LAKE, MI—Real Green Systems**, the most trusted name in software development for the lawn care, pest control, landscape and maintenance industries, is pleased to announce **American Profit Recovery (APR)** as a new vendor for collection activity on any delinquent accounts. American Profit Recovery has quickly established itself as one of the leaders in the debt collection industry. By combining Real Green user's internal efforts with APR's third party intervention, the entire life cycle of the delinquency will be minimized. Not only will the effectiveness of the collection increase, but it will do so while decreasing the employee time taken to manage past due accounts, leaving more time to service your clients!

American Profit Recovery offers a flat fee program as opposed to charging a typical percentage common with most collection agencies and attorneys. By charging a flat fee, APR allows businesses to keep more of their revenues. If you would like more information about how American Profit Recovery can help your business, they may be reached at (800) 711-0023, or visit them at [www.americanprofit.com](http://www.americanprofit.com).

By Real Green Systems and American Profit Recovery partnering, Real Green will see noticeable advantages in the area of:

- ↪ Seamless interface allowing you to use Lawn & Pest Assistant software to manage your collection accounts.
- ↪ State of the art, real-time reporting capability thru APRweb.
- ↪ An average combined APR recovery rate of 52%.
- ↪ Customer service team available for your needs.
- ↪ Flexibility!
- ↪ Flat-rate charged per account with SUBSTANTIAL savings for Real Green clients.
- ↪ Diplomatic collection process as to not alienate customers.

*"Our goal has always been to provide our customers with the most current technology and widest range of quality services. There's no doubt that by using APR for past due accounts, it will aid in making our customers as successful as possible, giving them the edge over the competition."*

*- Joe Kucik, President of Real Green Systems*

*"Our service is a perfect fit for the lawn, landscape and pest control industries and our results have been phenomenal! Interfacing Real Green's software with APR's proven system was only logical, leaving the customer with the best service on the market today."*

*- Jeff DiMatteo, President of American Profit Recovery*
