American Profit Recovery Donates Funds on Behalf of Several Clients

Marlborough-based Debt Collection Agency Contributes to Four Charities Through Holiday Card Fund

Marlborough, MA: March 5, 2008: American Profit Recovery, a leading accounts receivable firm providing innovative profit recovery solutions to a number of industries recently presented checks to a number of charities on behalf of their clients.

The funds totaling \$2,500 came as a result of an internal decision to spend holiday card money and re-direct it to local charities through some of their clients. Those include;

- \$1,000 to United Way of Union County, OH in the name of the Scotts Lawn Service
- \$500 to the Katie Brown Foundation in RI in the name of BankFive
- \$500 to Boston's Shriner's Hospital on behalf of Medway Oil in Medway, MA
- \$500 to the Christmas Outreach Program in the name of Isabella Bank and Trust, Mt. Pleasant, MI

“We were looking at our December budget and the prospect of sending out holiday cards,” said Matt Moskowitz, a partner with American Profit Recovery. “We were looking at 2,500 clients at about \$1 a piece. \$2,500 on holiday cards is an awful lot of money. We started thinking about what else we could do with the money and one of the employees here suggested that we donate it to a charity.”
