American Profit Recovery with Expertise in Medical Collections to Exhibit at Medtrade

Marlborough, Mass – American Profit Recovery, a [collection agency](#) with expertise in medical collections will be exhibiting at Medtrade, the world's largest trade show for the home medical equipment industry. The show will be held October 25-27 at the Georgia World Congress Center in Atlanta GA. American Profit Recovery can be found at Booth # 661.

This will be the third year American Profit Recovery has exhibited at the show and once again, five percent of all sales from this show will be donated to the American Cancer Society and their Making Strides Against Breast Cancer walks.

The collection agency with offices in Massachusetts as well as Michigan and North Carolina serves many in the medical field as well as those in other areas of healthcare. American Profit Recovery assists these professionals with their internal accounts receivables and several cost-effective and diplomatic solutions to collections.

Experts from American Profit Recovery will be on hand to speak with trade show attendees about their issues around collections and bad debt and will offer professional solutions to those problems. One solution is their very popular Tier I Flat-Fee Collections system. With a low cost investment, online access to all accounts submitted and a diplomatic touch, many in the medical and dental fields are embracing this way of collecting on overdue accounts.
